Welcome

Dear Brangus Friends,

On behalf of the Southeast Brangus Breeders Association, I want to welcome you to the annual SBBA Showcase Sale at the National Peanut Festival Fairgrounds in Dothan, Alabama. We invite you to join us for the Southeast Regional Junior Show on Friday, September 25, followed by the SBBA Banquet and fun auction. The Sale will be on Saturday, September 26 at 10 am CST.

This sale represents the hard work, dedication, and commitment of Brangus breeders throughout the Southeast. Each consignor has taken great care in selecting and developing the cattle represented in this offering, and we are proud to bring these genetics together for your consideration.

Our goal as a sale team is to provide buyers with an outstanding selection of quality Brangus cattle while making the entire sale experience enjoyable, informative, and successful. Whether you are a longtime Brangus breeder, a commercial cattleman, or someone looking to add quality genetics to your program, we believe this offering has something for you.

I encourage you to take your time reviewing the catalog, study the pedigrees and performance information, and most importantly, come see the cattle for yourself. We believe the cattle will speak for themselves!

Thank you to all of our consignors, sponsors, volunteers, and SBBA members for making this sale possible. Most importantly, thank you to the buyers who continue to support our breeders and the Brangus breed.

We look forward to seeing you at the sale and wish each of you the very best of luck with your purchases.

As always, feel free to call, text, or email me with any questions.

Sincerely yours,

Jeff Thomas
Sale Chairman
(770) 289-6539

Welcome to the Southeast Brangus Breeders Show Case Sale in Dothan, Alabama

On behalf of the Southeast Brangus Breeders Association (SBBA), welcome to our annual Brangus Sale!

We are excited to have you with us and sincerely appreciate your interest and support of the Brangus breed and the cattle producers who work hard to raise these outstanding animals.

Our breeders have brought together a quality offering of cattle representing the genetics, performance, and productivity that make Brangus such a valuable choice for today's beef industry. Whether you are a longtime Brangus breeder, a commercial cattle producer, or someone looking to add quality genetics to your operation, we believe you will find cattle in this sale that can make a difference in your herd.

But this event is about more than just cattle. It is also an opportunity to come together, enjoy good food, have some fun, and build relationships with fellow cattlemen and women.

We invite everyone to join us for our Banquet and Fun Auction, where we can relax, visit, share some laughs, and enjoy a little friendly competition. This is a great opportunity to have a good time while supporting the SBBA and the programs and activities that help promote our breed.

The SBBA is proud to promote the Brangus breed throughout our region and to support the breeders and producers who continue to move the industry forward. Events like this give us the chance to showcase quality cattle while strengthening the relationships that make the Brangus community special.

We encourage you to take your time, study the cattle, visit with the consignors, and ask questions. Our breeders are proud of what they have to offer and are happy to discuss the genetics and potential of their cattle.

Most importantly, thank you for being here. Your participation and support mean a great deal to our association and to every breeder who has invested time and effort into this offering.

We hope you enjoy the cattle, the fellowship, the banquet, and the Fun Auction. We appreciate you being part of the SBBA family and look forward to seeing you at the sale!

Sincerely,

Dennis Hardin, SBBA President

BALANCE! A super feminine and very balanced female straight from the heart of our herd and the 240 cow family. Her dam, T3 Ms Passport 240C3, is the now long-standing MC4 Matriarch that we purchased from Cuevas over a decade ago. She is still bringing productive calves to the pen each year at just under 12 years of age and has never missed! 240N is from NS by our T3-bred herd sire, an exceptional Empower son who just finished his third breeding season here at the MC4. Plenty of power and proven productivity in this fancy lot. Let FANCY speak for itself...This heifer and a few of our others were intentionally left open to blend in with another contemporary group to fit our AI plans closer to the first of 2027. **Guaranteed open and never exposed.**

QVF PR Empower 30G16 • Paternal Grand sire of Lot 37

LP Ms Csonka 594N is an attractive fall-born open heifer with a solid genetic foundation. She offers buyers a young, productive prospect with ample time to develop and breed within their preferred program. Study this October heifer as a potential replacement female and future contributor to a registered Brangus herd.

Extra Efficient Package in this lot! This UB2 heifer combines early productivity with spot-on phenotype! She gets around smooth, free, and correct on all 4 corners and should structurally go the distance. Her dam was a bred heifer we purchased from Plainview Farms in the Pine Belt Alliance Sale in late 2024. ACE bred and straight from the foundations of the Blackwater and MC playmakers, Hot Shot on a Bear-sired cow, this female offers a nice potential outcross to some of the genetics in the deep Southeast. Just like our other lot in this sale, this heifer and a few of our others were intentionally left open to blend in with another contemporary group to fit our AI plans closer to the first of 2027. **Guaranteed open and never exposed.**

MC Blue Blood 129H18... Paternal Grand sire of Lot 46

BWCC Ms Brand Name 24B3 is the \$80,000 donor purchased from Wiley Ranch in 2022. Originally, this high-end female was projected to enter the Blackwater donor program due to her impressive production, exceptional milk value and strong genomic predictors for heifer pregnancy and fertility. Adding even more power to her pedigree, her paternal granddam is the immortal 889P4 donor, a \$1,000,000-producing cow regarded as one of the all-time greats in Brangus breed history. Embryos are sired by Sho Time. He ranks in the top 1% of the breed for WW, YW and Terminal Index. He's a standout sire with a big top, wide base, natural heavy muscle shape, and bold rib, making him an excellent choice to improve any cowherd. His progeny and semen sales have topped many of the Brangus sales to date. ***Selling five (5) embryos.***

Terms and Conditions

Except for those stated in the below terms and conditions, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in the "Terms Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party through buyer, for any breach of warranty or guarantee therein provided, and all other obligations or liabilities.

1. BIDDING: Each animal will be sold to the highest bidder without reserve. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. TERMS: All terms are cash or check. Settlement must be made to the clerk at the conclusion of the auction.

3. PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

4. CERTIFICATE OF REGISTRY: When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser on those lots that are registered. Give full name and address to the secretary when making payment so the Certificate of Registry will be transferred properly.

5. HEALTH: All animals where possession is sold are eligible for interstate shipment except as otherwise noted. The cattle have been tested for Tuberculosis and Bangs disease within thirty (30) days of the sale date or come from a Brucellosis Certified Free Herd. A health certificate will be furnished.

6. ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

7. BREEDING GUARANTEE: (A) All animals are guaranteed to be breeders with the exception of (1) injury or disease occurring after sale; (2) negligence or willful misconduct on the part of the purchaser. (B) Any female is considered a breeder if she is pregnant at the time of sale and/or she has a calf at side. (C) Any bull which either (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals or; (4) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

8. MAIL BIDS: Phone, mail or wire bids, may be furnished in confidential form.

9. OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT: A. All claims for adjustment or refund must be made in writing within six (6) months of the sale date. B. Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six (6) months to prove the animal a breeder. If proven a breeder, the animal will be returned at buyer's expense. Should the animal fail to breed, the buyer, at his option, may either demand return of the purchase price or replacement of the animal with another of equal value. C. Any animal returned must have a veterinarian's certificate that it is healthy and free of Bangs and Tuberculosis.

10. RIGHTS AND OBLIGATIONS: 1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. 2. All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accident which may occur.

Notes

LIVE ON DVAUCTION

DVAuction gives you live, real-time access to auctions across the country—right from your computer, tablet, or phone. Whether you're bidding from home, the ranch, or on the road, you can watch every lot sell live and place bids instantly as if you were ringside.

With clear live video, reliable audio, and secure bidding, DVAuction lets you focus on what matters most: evaluating quality and bidding with confidence. You'll see the same auction, in the same order, at the same pace as buyers at the auction—no delays, no guesswork.
