Saturday, September 24, 2022 • 12:30 pm CST
South Alabama Stockyard, Brundidge, Alabama

Selling 73 Brangus and Ultrablack Lots

**Show Heifer Prospects, 3-in-1's, Pairs, Breds & Opens
Flush & Embryo Packages**

*Congratulations to the Southeast Brangus Breeders For Fifty
Years of Leadership and Dedication to the Brangus Breed!*

2021 *Showcase Sale Scenes*

Welcome

Dear Brangus and Commercial Cattle Breeders,

I want to welcome everyone to the 50th anniversary of the SBBA celebration. It has been an honor to be part of the SBBA and to watch all the changes throughout the years. Becoming a member in 1990 I have served two terms as president and nine years on the SBBA board. It has been a wonderful experience working with so many people from so many walks of life.

We are so fortunate in the Southeast to have some of the top breeders in the IBBA. Many of these top breeders participate in the SBBA sale every year. This year we want to thank the eight new cosigners in the SBBA Showcase Sale. We have a very strong offering that consists of flushes, embryos, bred heifers, open heifers, show heifer prospects, 3-in-1's, pairs and bred cows.

I want to thank Stan and Melody Adams along with their staff for again inviting us to use their facility for our sale.

On September 23, the SBBA Junior show will be held at Pike County Cattleman's building in Troy, Alabama. Be sure to come and support our juniors and cheer them on.

Please don't forget the fun auction and dinner at 7 pm to be held at Pike County Cattleman's building and bring something for the auction to support the SBBA, along with your fat billfold.

Thank you for your extra support and energy to make this an exceptional event, Michael Childers, our sale committee, and of course the junior advisors.

Looking forward to seeing you at the sale if I can help in any way please feel free to call, see you there.

Doug Williams, Sale Manager

(336) 745-5252, cell • whipowill@yadtel.com

P.S. Thank you Lea Stokes for all you do.

Dear Fellow Cattlemen,

Welcome to the Southeast Brangus Breeders Association Showcase Sale. This year is the 50th Anniversary of the SBBA. I want to welcome and encourage you to come out and help us celebrate this year. We will have the Juniors with us this year and their show will be on Friday. Come out and support the kids!

The sale will once again be in Brundidge, Alabama at the South Alabama Stockyard. The sale will also be broadcast live on DVAuction, so if you can't be there in person you can still purchase animals through DVAuction.

We have an outstanding offering of females this year including a flush and some great embryos. With the representation of breeders and the selection we have, there will be something for everyone wanting to improve their program or get new genetics. The Southeast has some of the best Brangus Breeders in the country! Thanks to all the consignors who make the sale possible. They have done a great job bringing their best to make this sale great!

Please plan to attend the Junior Show, the field day, and the SBBA Banquet on Friday, September 23, 2022, at the Pike County Cattlemen's Building in Troy Alabama. Join the action of the Fun Auction to help raise funds for our Association. Please remember to bring items for the fun auction.

Looking forward to seeing everyone and having a great sale!

Please feel free to call or email me anytime if I can help you in any way!

Sincerely,

Jeff Thomas, SBBA Sale Chairman

1

PICK IVF FLUSH

From Southern Cattle Company

What a unique opportunity consigned by Southern Cattle Company! A chance to tap into the success of the "209" cow family. This success story starts when Three Trees Ranch purchased Ms Brinks Bright Side 209L11 at the 2008 Camp Cooley Ranch Dispersal sale for \$50,000; a tremendous female from this phenomenal cow family that touched so many herd sires and donor females throughout the breed. One of her most desired daughters, TTR X6010 317R3 209L11, known around the breed as X6010, was purchased from Three Trees Ranch by David and Susan Vaughan in partnership with the Seminole Tribe of Florida, Inc for \$60,000. X6010 birthed **Ms Salacoa Top Product 209C5**, May 15, 2015. This profound mating of Sitz Top Product to the carcass queen X6010 proved to be a success as she went on to become a donor in the Salacoa Valley program. **209C5** was purchased by Phillips Ranch and Southern Cattle Company at the FINAL Salacoa Valley production sale in 2021 for \$31,500. She has six traits ranking in the breed's top 30% of measurable traits, led by a top 1% IMF @.64. Last year, Southern Cattle Company purchased two own daughters of **209C5**, **Ms Salacoa Never Surrender 209G60** for \$26,000 and **Ms Salacoa Big Town 209H68** for \$14,000. Both females have impeccable phenotypes supported by their lineage and pedigree. **209G60** has eight traits ranking in the breed's top 30%, paced by her 1% REA and 15% IMF accompanied by her 4% and 2% WW and YW, respectively. Study your lesson here on balanced GE-EPDs and you find **209H68** writes a tabulation with nine traits in the breeds top 35% paced by top 3% REA and 4% IMF. NOW THAT'S BALANCE!

Selling your choice of one IVF procedure on the matriarch Ms Salacoa Top Product 209C5 or one of her own daughters Ms Salacoa Never Surrender 209G60 or Ms Salacoa Big Town 209H68. Guarantee (six) 6 viable embryos. Any embryos produced over the 6 guarantee can be prorated and purchased by the buyer. Semen and collection costs are the buyer's responsibility. In the event Southern Cattle Company is unable to produce 6 viable embryos on the first OPU, a second OPU will be performed at the seller's cost.

Ms Salacoa Top Product 209C5

Ms Salacoa Big Town 209H68

Here is a true opportunity to be on the cutting edge in genetics. **VF Ms International 889C2** is one of the leading donors at VF. Her sire is SAV International 2020 which is also sired BWCC Blackwater 000H9 the up in coming herd sire that sold for \$115,000. Her dam is BWCC Ms Tank 889T4 is the full sister the that great BWCC Nuff Said 889T50. Nuff Said is the sire of the hottest bull in the breed BWCC Big Town 192B16 that is pushing to being one of the all-time greatest bulls ... Nuff Said

MC Blue Blood 192H18 is the high-selling bull at Mound Creek that was purchased by Wiley's and was syndicated between 10 breeders. The only way to get **Blue Blood** genetics is through embryos or daughters. **Blue Blood** has some of the best EPDs in the breed with 7 EPD traits in the top 15%.

BWCC Final Time 313H2 was the second high-selling bull at BWCC for 100k that was purchased by QVF. Final time sire is one of the hottest young herd sires BWCC McQueen 192E24 also the sire of the herd sires Papalloan and Hugo. His dam is the great RBM Ms Special Forces 313A which is the highest selling Brangus female that we recently purchased with Truitt Brangus and River Bend Farms for \$120,000. She was also the dam of the MC Show Time 313H30 and many other herd sires and donors across the breed.

Selling one (1) package of five (5) embryos of each mating.

889T4 - Dam of 889C2

This good New Vision daughter is a natural calf out of our Patton 55B donor cow that we purchased from McCreary Farms. She has done a very good job so far for us and has one heck of an Empire sired bull calf at her side. She is bred back to MC Profit 924B16. Profit has worked very well for us and we expect this mating to produce a phenomenal calf.

Breeding: Al'd to MC Profit 924B16, R10276882 on 5/2/22. Pasture exposed to LP Crossroads 535H8, R10461576 from 5/7/22 to 8/7/22.

468H6 is an own daughter of the matriarch donor BWCC Rock Star 468Y14 that has generated a tremendous amount of revenue for Vanna Farms, Saddle Hill and Blackwater Cattle Company. 468Y14 has reported over 100 progeny in the IBBA registry. 468H6 is sired by BWCC Big Country 158F14 who is making his name in the herd by his daughters that are now in production. By the looks of her first heifer calf and her pedigree, it is safe to say she would be worth flushing. We consigned this quality to this sale to show our commitment and support to SEBBA and celebrate the 50th Anniversary.

Breeding: AI'd to BWCC Big Town 192B16, R10266676 on 6/16/22. Pasture exposed BWCC Big Town 192B16 and Perfect Fit of Salacoa 468G57, R10437568 from 6/17/22 to 8/1/22.

ACE Ms Center Section 468K5 is a paternal sibling to MC Sho Time. Her pedigree truly lines up the best in Blackwater and Mound Creek genetics. We should not be selling a heifer this good this young with all the future upside that she and her dam have. She ranks in the top 5% for SC, REA, and top 10% for IMF and Heif Prg. To say 468K5 was "design bred" would be an understatement. Here is a chance to own a future breed changer.

ABF Ms Csonka 23D4 is sired by the legendary Csonka of Brinks 30R4 and out of our first donor cow SVF Ms Cadence 23S69. Her granddam, SVF Ms 23M28 was one of Salacoa Valley's great donors. 23M28 has 47 progeny recorded, including my favorite, On Task of Salacoa 23Y42. As Csonka calves should, 23D4 preformed well. She had a 110 WW ratio, 104 YW ratio and 112 IMF ratio. If you like a Brangus female with outstanding EPDs, you should consider this one. She has 11 EPDs in the breeds top 30% or better, including top 5% Heifer Preg., 10% Term Index, 15% YW, TM and REA. Her Blackstone calf should be good!

Breeding: Pasture exposed to ABF Blackstone 23G2, R10410461 from 12/20/21 to 3/7/22.

A very nice Passport daughter we purchased from Draggin' M Ranch back in 2019 that really complimented our herd. She boasts a beautiful feminine design that will make you take notice as well as your buyers. She is safe in calf to BWCC Black Top.

Breeding: Pasture exposed to WCC Beacon 168F, R10397815 from 12/26/21 to 1/3/22 and to BWCC Black Top 192G22, R10444674 from 1/3/22 to 3/1/22. Ultrasounded safe on 3/16/22 to Black Top.

Cold Creek Ranch is proud to offer this low birth weight UB2 bred heifer. By our herd sire Cold Creek 510 Absolute 415E2 and out of an extremely productive Unitas daughter, 222J2 packs lots of muscle and bone yet still expresses femininity and great eye appeal. Take a look at her 11 top 30% or better EPDs and Indexes including negative BW, high milk, and high carcass. Her AI breeding to the low birth weight, high growth BWCC Hugo bull will produce an outstanding Brangus (R) calf.

Breeding: AI'd to BWCC Hugo 484H7, R10472434 on 5/5/22. Ultrasounded safe. ECD: 2/10/23.

237J is an Eldorado daughter with 11 EPDs above breed average. Eldorado daughters are proving themselves to be phenomenal females. The dam of 237J is one of our most fertile females and stems from the great Char-No herd! We choose to AI her to Masterpiece and we expect something special out of this mating! Fertility and longevity with great performance perfectly describes what you can expect from 237J!

Breeding: AI'd to CB Masterpiece 2051F, UB10383790 on 5/9/22. Pasture exposed to DMR JRT Dynamic 30G36, R10434661 from 5/22/22 to 7/29/22. Safe in calf.

A maternal sister to the DMR Investment 535F40 bull, one of the most impressive Empire sons to sell to date, she is also sired by the Cash Flow bull. Across the board she presents a super balanced set of EPDs, including top 3% for REA and top 4% for YW. She is super stout in her composition with loads of muscle and dimension. The Cash Flow daughters that we have in production so far are some of the best UB females that we've seen in the breed.

Breeding: AI'd to DMR Empire 795D12, R10323531 on 4/29/22. Pasture exposed to MC Rawhide 468H68, R10475486 from 5/11/22 to 7/11/22. Palpated safe to Empire.

Stonewall daughters are well known throughout the breed with perfect udders and great maternal ability, and 541H34 exudes this same maternal look. On the bottom side, she goes back to the \$20,000 donor, 541B22 purchased by Quail Valley and now owned by Galloway Brangus. She is very balanced in her EPD profile with top 15% Fertility Index and 30% Terminal Index. She sells bred to one of our newest herd sires, DMR Dutton 331H8.

Breeding: AI'd to DMR Dutton 331H8, UB10462638 on 5/17/22. Pasture exposed to Salacoa N Surrender 71H8, R10460543 from 5/25/22 to 8/1/22.

Another signature Cold Creek Ranch Ultrablack, this bred heifer has it all. Out of one of the most successfully used Angus bulls in the Ultrablack program, MAR Innovation 251, and an interesting and rare tried-and-true Chisolm daughter, 535J2 will compliment any herd sire. Her EPD profile is strong and balanced. She boasts eight top 30% or better EPD traits and indexes. Phenotypically she expresses femininity like her dam, yet still packs muscle and bone. She took to her first AI (to the low birth weight, high growth BWCC Hugo 484H7 bull) which should result in an outstanding calf. This heifer is one you don't want to miss!

Breeding: AI'd to BWCC Hugo 484H7, R10472434 on 5/5/22. Ultrasounded safe. ECD: 2/10/23.

We're very excited to offer this heifer from our Junior Herd Sire, CNF Granite 541F16. With her phenotype and a great set of balanced EPDs she is the right kind. The Data Bank calves should be outstanding.

Breeding: AI'd to GACC Data Bank 102H3, UB10453285 on 5/11/22. Blood test safe 6/28/22. ECD: 2/18/23.

Performance: BW: 72 (98) WW: 639 (122)															

Deep-sided, soft-made Empire daughter here that stems from the famed 924 cow family that was made famous by the Redbird Meadows, Mound Creek, and Blackwater herds for their fertility, longevity, and phenotypic superiority. Add together her overall functionality with the highly productive cow family, the Empire bull that sired her, and her babydoll disposition and you get a pretty impressive replacement female.

DMR Empire 795D12...Sire of Lots 4A, 13A, 69, 73

Join the Southeast Brangus Breeders Association

All active members in the IBBA in good standing and reside in or have their principal breeding herd in the States of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, or Virginia shall be eligible for active membership in the SBBA. You need to be a member of the SBBA to participate in the SBBA Bull and Female Sales, Southeast Regional Juniors Brangus Show, and are eligible cast one vote per membership.

If you are interested and would like to become a member of the SBBA, the annual membership for the SBBA is \$35 and is not prorated. If you would like to expand your advertising presence online, the SBBA offers an SBBA website banner ad for \$100 annually which can be viewed at sebrangus.com.

For more information contact Michael Childers, SBBA Secretary/Treasurer and Membership Committee Chair

Terms and Conditions

Except for those stated in the below terms and conditions, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in the "Terms Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party through buyer, for any breach of warranty or guarantee therein provided, and all other obligations or liabilities.

1. BIDDING: Each animal will be sold to the highest bidder without reserve. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. TERMS: All terms are cash or check. Settlement must be made to the clerk at the conclusion of the auction.

3. PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

4. CERTIFICATE OF REGISTRY: When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser on those lots that are registered. Give full name and address to the secretary when making payment so the Certificate of Registry will be transferred properly.

5. HEALTH: All animals where possession is sold are eligible for interstate shipment except as otherwise noted. The cattle have been tested for Tuberculosis and Bangs disease within thirty (30) days of the sale date or come from a Brucellosis Certified Free Herd. A health certificate will be furnished.

6. ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

7. BREEDING GUARANTEE: (A) All animals are guaranteed to be breeders with the exception of (1) injury or disease occurring after sale; (2) negligence or willful misconduct on the part of the purchaser. (B) Any female is considered a breeder if she is pregnant at the time of sale and/or she has a calf at side. (C) Any bull which either (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals or; (4) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

8. MAIL BIDS: Phone, mail or wire bids, may be furnished in confidential form.

9. OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT: A. All claims for adjustment or refund must be made in writing within six (6) months of the sale date. B. Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six (6) months to prove the animal a breeder. If proven a breeder, the animal will be returned at buyer's expense. Should the animal fail to breed, the buyer, at his option, may either demand return of the purchase price or replacement of the animal with another of equal value. C. Any animal returned must have a veterinarian's certificate that it is healthy and free of Bangs and Tuberculosis.

10. RIGHTS AND OBLIGATIONS: 1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. 2. All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.
